

New Hope Valley Railway Standard Operating Procedures

Board Approved:12/7/1941

New Hope Valley Railroad Golf Club

When you unlock the golf carts:

- DO NOT lock the master lock.
- Hang it from the cable racks under the chargers
- Neatly place the security cables out of the driveway.
- Hang the charging cables on the racks.

When you park the golf carts:

- Back them in. The red cart should be on the left.
- Leave the Run/Tow switch in the RUN position. Do NOT set the Run/Tow to TOW.
- Plug the charging cables into the carts
- Place the key in the tray in the dash board.
- Wrap the security cables around the frames, not the seats or steering wheels.
